MILITARY RESOLVE is a LIBOR funded training programme of support available to all ex-members of the Armed Forces, regular or reserve, regardless of length of time served. It has been designed specifically to help veterans deal with barriers and issues that challenge their day-to-day lives. The programme has been developed to support veterans with the following issues:

- + Challenges to an individual's wellbeing
- + Housing
- + Alcohol and substance misuse
- + Finance

The programme offers a holistic approach, which is tailored to the individual veteran's needs. It is delivered by trained and accredited FINCHALE staff, supported by our partnering agencies where appropriate. The programme also offers individual Case Manager support throughout its duration.

BENEFITS:

Clients attending this programme will have the opportunity to address their own specific challenges in order to meet positive outcomes. They will be equipped with the right tools needed to progress through life and overcome the barriers they currently face. It endeavours to build self-confidence and self-esteem, positivity and greatly improve the general quality of life for veterans.

COURSE DURATION:

12 months – delivered as a series of '1-2-1' sessions with an allocated Case Manager

COST:

This course is FREE to all veterans.
